Newsletter of ARCS® Foundation
Atlanta Chapter
Winter 2026

ARCS Foundation advances science and technology in the United States by providing financial awards to academically outstanding U.S. citizens studying to complete degrees in science, engineering and medical research. Founded by Mary O'Connor, our Atlanta Chapter was incorporated in 1992.

From the President's Desk:

In response to our speaker at last January's General Membership meeting, Carolynn Cooper wrote an incredible article reflecting on the extraordinary sense of sight and the many gifts it brings us each day—
