What Happens if a Robot Lies to You?

Investigating if, when, how, and should robots deceive humans.

Is Santa real?

"All I know is someone's been eating my mince pies and Father Christmas looks like the type."

"I believe he's up to some pretty cool things up at the North Pole this year"

"Well, reindeer and the North Pole exist, so things are trending in the right direction."

Does the Age of the Deceived Matter?

Hurtful Honesty vs Helpful Dishonesty?

Helpful Honesty		Harmful Honesty	
Honest	\$100	Honest	\$100
Dishonest	\$50	Dishonest	\$150
Helpful Dishonesty		Harmful Dishonesty	
Honest	\$50	Honest	\$150
Dishonest	\$100	Dishonest	\$100

Lying for Social Good?

You shouldn't exceed the speed limit, there are police ahead

Disclosure of Deceptive Capabilities

I can lie when I believe it's in your best interest to do so
